TaRgET Project

Trainee Evaluation - Final Report

To be completed after the last videoconference session

Course Title:

Training Organisation:

**1.** a. What do you view as being the benefits of using this technology?

   b. What are the disadvantages?

2. Was the equipment easy to use? If not, what were the particular problems?

3. What suggestions would you have for the presenters to improve the videoconference sessions?

4. How does learning in this fashion compare to in-person, in-class tutorials/presentations?

5. Would you like to receive lectures/trainer support via videoconferencing in the future?

6. General comments

Please return this questionnaire to your trainer.

Thank you for your co-operation.
